

Welcome and Good Luck!

You have made the choice to become a Professional Truck Driver and Westwind CDL Training Center is glad to be a part of that! Depending on the program, each student will spend 1-4 weeks at our campus.

During this time, each student will spend 24 hours in the classroom. While in the classroom, students will be trained on Safe Driving, Air Brakes, Combination Vehicles, Log Book Basic Knowledge, Map Reading and Trip Planning, Cargo Securement and Lifestyle Expectations. The remainder of the time will be spent on the Range or Road. Each student will spend part of each day practicing Backing Maneuver, Pre-Trip Inspections and General Driving Skills.

Please be prepared for all weather conditions. Training will be held regardless of weather conditions! Missouri weather can change abruptly so please be prepared!

Also located at the training facility is a kitchenette with vending services, a microwave, and refrigerator. Students may bring lunches to be prepared during lunch break. **Westwind WILL NOT provide shuttle service for lunch breaks.** Westwind also offers a meal plan for students for \$5.00 per day. Meal Plans are included at no additional fee to housed students. Please speak to a staff member during orientation if you are interested in participating in the meal plan.

Please ask many questions. Our instructors and staff members are here to help. Do not hesitate to ask if you have any questions or concerns.

*It is our Mission:*

*“To be the Premier Provider of Commercial Driver Training and  
Employment Services to the Trucking Industry”*
